

## Wee Care Boutique Program Guidelines

Being a parent today is a huge responsibility, but also a great joy. The Wee Care Program is designed to help clients and to teach parental responsibility and accountability. Clients can earn points to shop in the Wee Care Boutique for maternity and baby clothing (newborn – 2T), diapers, baby gear, books, blankets, etc. Dads are welcome too! Our Wee Care Boutique is supplied through donations from the community so *all items are subject to availability*.
